Rules and Regulations for the Festival

1. Setup time begins two hours prior to the booth opening time. You may bring your car onto the grass to load and unload only. Cars **MUST** be off the grass by no later than 30 minutes prior to the advertised booth opening time. If you have not checked in by 30 minutes prior to the advertised booth opening time, you may lose your reserved spot and be put somewhere on the outside of the park. For this specific festival, setup times begin at 8am on Saturday, May 19. If you would like to come and setup on May 18, you need to arrange that with Danielle Austin at dgaustin@braselton.net or 706-654-5551.
2. If you pay for power, you are paying for one electrical outlet only. You may not plug in power strips, electrical extension cords or anything else that increases the amount of power you get. There are to be no microwaves or crockpots used during the festivals.
3. Once you set up your booth, you are expected to stay the entire time of the festival. If you leave early, you will not be allowed to come back the next year. Booths will be open for this particular festival from 10a-10p.
4. When you come to setup, there will be a large, white tent in the center of the park. This is where you come to find out where your booth is located. **DO NOT** setup your tent in a location until you have verified you are in the correct location. If you setup in the wrong location you will be asked to move.
5. Once the festival is over, please be courteous to your fellow vendors. Everyone will be trying to pack up and get out of there all at once. Please do not block the entrance to the park, and please move your cars just as soon as you get them loaded up.
